

### London Greenways Challenge 2022 - Route #6 - June - Green Trail

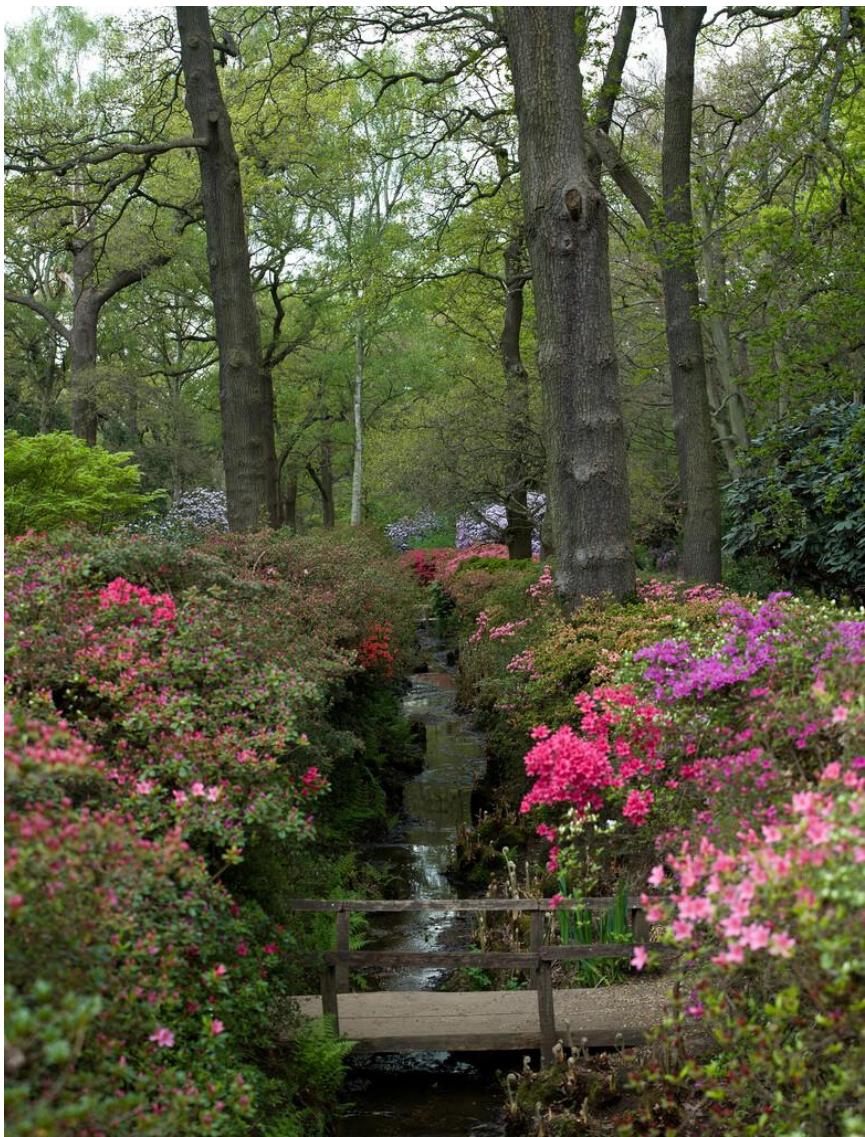

**Route Description:** The Green Trail (Richmond) is a 15-mile route that links with the Thames Path at Hammersmith Bridge and Hampton.

For this edition of the Greenways challenge we are taking a 10-mile section of the route from Teddington to Hampton Court. You could always try the remaining section another day!

Such a well loved running part of the UK and very few FKT routes. This one will help runners to link up a few different routes through the Green Trail. Very accessible by London transport as well.

**PLEASE REMEMBER** that the No.1 rule of the Greenways Challenge is to enjoy yourself. You will not be penalised for making any errors on any of the routes.
